

COMMERCIAL LOCKERS

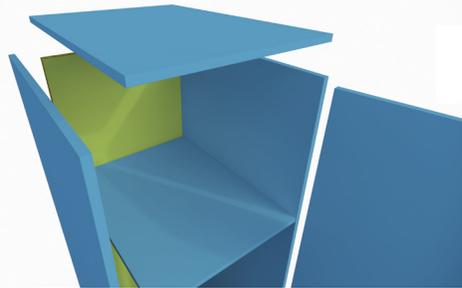

Through Shield's time in the healthcare and athletic markets, we've built a commercial line of lockers for use in all types of facilities - workspace, fitness, country club, whatever - with ultimate customization to fit your needs. We've designed three different locker build types that utilize solid surface and laminate components to meet the durability and budgetary requirements of your project.

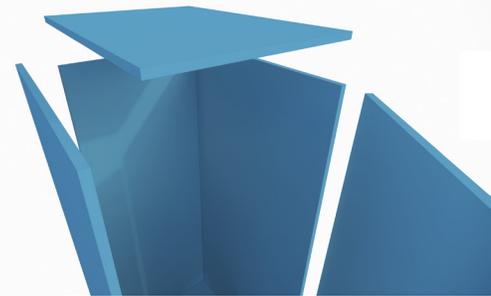

COMMERCIAL

- Laminate body/back
- Solid surface trim
- Solid surface door/shelves

ATHLETIC

- Laminate back
- Solid surface body
- Solid surface door/shelves

MEDICAL

- Solid surface back
- Solid surface body
- Solid surface door/shelves
